

# CONSULTING

LISTENING CAREFULLY YOUR NEEDS IS A KEY FACTOR OF OUR STRATEGY. OUR CONSULTANCY SERVICES RUN ON THE STEPS REQUIRED TO COVER YOUR EXPECTATIVE.

**1.** Dimensioning your requirements by priorities in the time: short, medium and long term.

**2.** Strategy with the best resources of maps, data and GIS engine platforms.

**3.** From a simple report up to the enterprise solutions for a teamwork scenario.

**4.** Implementing customized architectures guided and supported by our experienced team.

**5.** Train and supporting your team work with adequate help and ideas for improving your projects.

**6.** Geobis International uses a wide variety of solutions and platforms that help our customers around the world in different industries and areas or work.
